

## **Members' Questions for Full Council Meeting, Thursday 27 April 2023**

### Question from Cllr Blewett

Given that we should ensure appropriate transparency in respect of the elections on Thursday 4 May; I hope that we will record the number of people who become victims of the Government's ID policy and are turned away from each polling station.

Will we be advised of these numbers please?

### Question from Cllr Farmer

Following the damning independent TIAA audit report into the management of the Shapley Heath project, Audit Committee asked Cabinet to provide a response to the management recommendations contained within the Shapley Heath Audit Review report, and to review the application of project governance, financial controls, and reporting for the Shapley Heath project and to provide a response to Audit Committee on lessons learnt.

This independent review of the role of Cabinet and Members (an internal member review and reflection report) was prepared by Emanuel (Manny) Gatt and published on 6th February 2023.

Which of the findings of this comprehensive independent report does the Portfolio Holder for Place not agree with?
