

NOTICE OF MEETING

Meeting: Overview and Scrutiny Committee
Date and Time: Tuesday 15 September 2020 7.00 pm
Place: Council Chamber
Enquiries to: Helen Vincent
committeeservices@hart.gov.uk
Members: Worlock (Chairman), Axam, Davies, Dorn, Drage,
Farmer, Lamb, Makepeace-Browne, Smith,
Wildsmith and Wright

Joint Chief Executive

CIVIC OFFICES, HARLINGTON WAY
FLEET, HAMPSHIRE GU51 4AE

AGENDA

This meeting is being administered under the provisioning of the Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meeting) (England and Wales) Regulations 2020. The Provision made in this regulation applies notwithstanding any prohibition or other restriction contained in the standing orders or any other rules of the Council governing the meeting and such prohibition or restriction had no effect.

This Agenda and associated appendices are provided in electronic form only and are published on the Hart District Council Website

1 MINUTES OF PREVIOUS MEETING (Pages 4 - 7)

The minutes of the meeting of 18 August 2020 to be confirmed and signed as a correct record.

2 APOLOGIES FOR ABSENCE

To receive any apologies for absence from Members*.

***Note:** Members are asked to email Committee Services in advance of the meeting as soon as they become aware they will be absent.

3 DECLARATIONS OF INTEREST

To declare disclosable, pecuniary and any other interests*.

***Note:** Members are asked to email Committee Services in advance of the meeting as soon as they become aware they may have an interest to declare.

4 PUBLIC PARTICIPATION (ITEMS PERTAINING TO THE AGENDA)

Anyone wishing to make a statement to the Committee should contact Committee Services at least two clear working days prior to the meeting. Further information can be found at

https://www.hart.gov.uk/sites/default/files/4_The_Council/Council_meetings/Public%20Participation%20leaflet%202020%20A4.pdf

5 CHAIRMAN'S ANNOUNCEMENTS

6 REVISED DRAFT BUDGET 2020/2021 AND OUTTURN PERIODS 1-4 (Pages 8 - 11)

This report provides a summary of the revised revenue proposals for 2020/2021 to enable Overview and Scrutiny Committee to forward its comments on the proposed draft revised budget and Council Tax levels to Cabinet.

7 FUTURE PROVISION OF CCTV SERVICE (Pages 12 - 18)

Following review of the Council's CCTV service and the associated costs required to operate and maintain it, this report outlines the options for and makes recommendations on future CCTV service delivery.

8 5 COUNCILS (5CS) CONTRACT (Pages 19 - 25)

This report invites Overview and Scrutiny to consider the principles of alterations to the contract for Corporate Services, known as the Five Councils' Partnership, that are being recommended to Cabinet at its meeting in October. The report also confirms that the recent transfer of Finance and Human Resources (HR) out of the Five Councils' contract has been successful.

9 OVERVIEW AND SCRUTINY WORK PROGRAMME (Pages 26 - 29)

The Overview and Scrutiny Work Programme is attached for consideration and amendment.

Date of Despatch: 7 September 2020

Public Document Pack Agenda Item 1

OVERVIEW AND SCRUTINY COMMITTEE

Date and Time: Tuesday 18 August 2020 at 7.00 pm

Place: Council Chamber

Present:

Axam, Davies, Dorn, Farmer, Harward, Lamb, Makepeace-Browne, Smith, Wildsmith, Worlock (Chairman) and Wright

In attendance: Crookes, Forster, Quarterman and Radley

Officers: Foy, Phillips and Vincent

19 MINUTES OF PREVIOUS MEETING

The Minutes of the meeting of 14 July 2020 were agreed and signed as a correct record.

Councillor Farmer reminded the Chairman that in accordance with minute 18 there should have been two items; Car Park Charges and Waste Management Contract added to the work programme which he would bring up again during Item 30 of this agenda.

20 APOLOGIES FOR ABSENCE

Apologies had been received from Councillor Drage, who was substituted by Councillor Harward.

21 DECLARATIONS OF INTEREST

No declarations made.

22 PUBLIC PARTICIPATION (ITEMS PERTAINING TO THE AGENDA)

None.

23 CHAIRMAN'S ANNOUNCEMENTS

The Chairman recommended two events that may be of interest to members:

- a) The Centre for Public Scrutiny was holding its annual conference for Local Government Scrutineers on 9/12/2020 at Cavendish Square, London.
- b) There was an LGA webinar on the topic of the consultation on the new draft model Code of Conduct for Members on 26 August 2020.

24 OMBUDSMAN ANNUAL REVIEW LETTER

Members considered the Annual Review letter from the Ombudsman and noted that no complaints against the Council had been upheld. Members were encouraged to look at the Ombudsman website where previous national complaints cases can be reviewed for reference.

25 INTRODUCTION TO HEAD OF CORPORATE SERVICES

Emma Foy introduced herself to members and explained her career background.

26 2019/20 REVENUE AND CAPITAL OUTTURN

The Committee were advised that this report is not in the same format that the budget was agreed as there has been a restructure of the organisation since the budget had been agreed. The Committee were advised of the position on revenue and expenditure and a reconciliation will be provided to Members of the Committee in advance of the report being considered by Cabinet. Cabinet would consider this report at its meeting on 3 September 2020.

Members discussed the information and variances, raising questions around information behind the figures.

DECISION

The 2019/2020 outturn position of an underspend of £847K after transfers and accounting adjustments for the General Fund Revenue Account be noted.

- a) It be recommended to Cabinet that the £847K be used to increase General Fund Reserve be agreed.
- b) The 2019/2020 outturn position for Capital expenditure be noted.
- c) It be recommended to Cabinet that the carry forward of the unspent revenue budgets as detailed in paragraph 6.1 be supported be agreed pending written responses from the S151 Officer to both the questions raised and reconciliation between the original budget and budget per the restructured organisation.

27 TREASURY MANAGEMENT OUTTURN 2019/20

The Committee considered the Council's Treasury Management activities during the 2019/2020 financial year prior to consideration at Cabinet on 3 September 2020.

Members raised questions with regards to different investment vehicles and better ways increasing investment income whilst mitigating risk wherever possible.

Members discussed and welcomed the idea of creating working groups and working parties to provide constructive discussions about changing strategies.

DECISION

The comments of the Committee be forwarded to Cabinet for consideration at its meeting on 3 September 2020 be recommended.

28 QUARTER 1 PERFORMANCE INFORMATION - 2020/2021

The Committee was updated on the Council's performance indicator results for the first quarter of 2020/21 (1 April 2020 – 30 June 2020)

Members in considering the information were concerned about the following:

- Fly tipping being under reported.
- The possibility of voluntary organisations being under resourced. They will be invited to come and present so that a discussion can be had in respect of the recovery phase of Covid-19.

29 THE ESTABLISHMENT OF A CORPORATE VEHICLE FOR PROPERTY HOLDING PURPOSES

Members were asked to consider a report by the Joint Chief Executive recommending in principle the creation of a local authority company to allow commercial trading in property.

Members discussed the report and welcomed the proposal and agreed that they had no objections in principle. Committee did feel however, that more detailed consideration should be given to weighing the various governance arrangements for the Company.

DECISION

The recommendation to support the following proposed officer recommendation to Cabinet be supported:

- a) Cabinet agrees in principle to the establishment of a company which will be limited by shares and owned wholly by the Council.
- b) Cabinet agrees to a further report to be brought forward at the earliest opportunity outlining proposed governance and board membership arrangements, and articles of association for the company before any trading activity commences.

30 OVERVIEW AND SCRUTINY WORK PROGRAMME

The Overview and Scrutiny Work Programme was considered.

As per the minutes from July, the Waste Contract and Car Park Charges need to be added.

The meeting closed at 8.04 pm

OVERVIEW AND SCRUTINY COMMITTEE

DATE OF MEETING: 15 SEPTEMBER 2020

TITLE OF REPORT: REVISED DRAFT BUDGET 2020/2021 AND OUTTURN PERIODS 1-4

Report of: Head of Corporate Services

Cabinet Member: Councillor James Radley, Deputy Leader and Finance

1 PURPOSE OF REPORT

- 1.1 This report provides a summary of the revised revenue proposals for 2020/2021 to enable Overview and Scrutiny Committee to forward its comments on the proposed draft revised budget and Council Tax levels to Cabinet.
- 1.2 This revised budget is necessary due to the unforeseen COVID-19 pandemic.
- 1.3 The original budget was agreed by Council on the 27th February 2020.
- 1.4 This revised budget takes into account both lost income from fees and charges and also includes calculations made that we will receive funding from Central Government to compensate income lost.
- 1.5 Expenditure for the expenditure periods to date is provided in **Appendix One** which is to follow.

2 OFFICER RECOMMENDATION

- 2.1 That the Committee forwards to Cabinet any comments it has on the approach adopted to preparing the draft revised budget.
- 2.2 That the Committee considers any recommendations it wishes to make to Cabinet in regard funding any shortfall in lost income due to Covid-19 from the the General Fund after all Central Government funding schemes have been fully engaged with.

3 BACKGROUND INFORMATION

- 3.1 The Government postponed the Spending Review due in 2019 and instead published a short-term (one-year) Spending Round. In doing so it has:
 - waived the potential for negative RSG for 2020/2021
 - postponed any decision to localise Business Rates until 2021/2022 but it has promised wider changes to the Business Rates system
 - postponed until 2021/2022 any Fair Funding Review that would revise the methodology for distributing Rate Support Grant (RSG) and business rates across the county

- Committed itself to reviewing New Homes Bonus (NHB) after consultation in Spring 2020.

Of the above proposals we currently have minimal assurance that the above proposals have remained on track and therefore there remains a large amount of uncertainty for 2021/22 onwards. This means we currently have to review the draft budget as a stand-alone year and cannot consider any future funding to cross-subsidise this year's expenditure pressures.

- 3.2 The Government has however launched a scheme to compensate authorities for lost fees and charges which have been driven by the Covid-19 pandemic. The income-loss scheme will involve a 5% deductible rate whereby Councils will absorb losses of 5% of planned sales, fees and charges income with the government compensating them for 75 pence in every £1 after this lost.

4 CONSIDERATIONS APPLIED TO THE REVISED BUDGET

- 4.1 The COVID-19 pandemic coincided with the start of the 2020-21 financial year. The Council has a social duty to respond to the needs of the community and consequently some regular services were suspended, and others introduced. Consequently, the previously agreed budget has been re-cast reflecting the new situation.

- 4.2 The original 2020-21 budget was built using an incremental approach. It included areas where resources could be saved as well as opportunities to secure new sources of income. The timing and nature of the COVID-19 pandemic has limited our opportunities in increasing income.

- 4.3 The following areas represent some of the more significant and ongoing pressures:

- Fall in income due to suspension of parking fees
- Fall in income due to change in law forcing the Leisure Centres to close
- Contract changes & inflation increases
- IT infrastructure investment for remote working
- Modifications to the Civic Offices to ensure Covid-safety.
- Reduction in income for licenses and inspections.
- Reduction in income from planning fees.

- 4.4 The below table shows the anticipated pressures and losses set against the expected Covid funding from Central Government.

Area	Estimated value £'000
Leisure	1100
Parking	500
Other	60
Additional Expenditure	310
Total	1970
Est Government Contribution inc grants	(1696)
Net loss	274

5 BUDGET APPROVED vs. REVISED BUDGET

5.1 The table below summarises the revised draft budget for 2020/2021 compared to the approved 2020/2021 budget

	202	2020/2021	
	Budget	Draft	
	£0	£0	
Net Service Budget	9,448	9,174	3% reduction on average across budgets
SANG Expenditure	258	258	Funded from allocated S106 receipts
Cost of Service	9,706	9,432	
Debt Interest	12	12	
MRP	445	469	
New Homes Bonus	-2,377	-2,377	Revised for actuals
Pressures	944	1,218	Initial plus 4.4 total
Net Expenditure	8,754	8,754	
Financed by			
Council Tax	-7,269	--7,269	Agreed Council Tax
Business Rates Retained	-1,297	-1,297	Local Government Settlement
Collection Fund – CT Surplus	-31	-31	Collection Fund estimate
Collection Fund – NNDR Deficit	154	154	Collection Fund estimate
S106 receipts	-53	-53	Allocation as per approved expenditure
SANG receipts	-258	-258	Allocation as per approved expenditure
Total Financing	-8754	-8,754	
Transfer to Reserves	0	0	

- 5.2 Line by line review of all budgets has been taken into consideration which overall leads to a reduction in net expenditure of 3%. Should this not be achievable then a further report will be brought to Full Council seeking draw-down from reserves.
- 5.3 The revised budget anticipates we will be successful in our claims to Central Government for lost income. Should this not be the case then a further report will be brought to Council seeking draw-down from reserves.
- 5.4 Any subsequent costs relating to the delivery of the Corporate Services Contract will need to be approved separately by Members and funded from General Fund Reserve.
- 5.5 The major revenue funding issues looking beyond 2020/21 are:
- Spending Review 2020 – may reduce the totality of local government funding
 - Fair Funding Review – risk of losing further central government funding as it is distributed elsewhere
 - Changes to New Homes Bonus
 - 75% business rates retention from 2021/2022
 - General delays and uncertainty on future funding caused by Covid-19

CONTACT: Emma Foy, Head of Corporate Services x4207, email: emma.foy@hart.gov.uk

APPENDICES

Appendix One – Expenditure

OVERVIEW AND SCRUTINY COMMITTEE

DATE OF MEETING: 15 SEPTEMBER 2020

TITLE OF REPORT: FUTURE PROVISION OF CCTV SERVICE

Report of: Head of Environment and Technical Services

Cabinet member: Councillor James Radley, Deputy Leader and Finance

1 PURPOSE OF REPORT

- 1.1 Following review of the Council's CCTV service and the associated costs required to operate and maintain it, this report outlines the options for and makes recommendations on future CCTV service delivery.

2 OFFICER RECOMMENDATION

- 2.1 Committee is asked to support the following recommendation to Cabinet:

Cabinet are RECOMMENDED to approve: –

- (i) the termination of the shared service agreement with Rushmoor Borough council for the monitoring of Hart's CCTV cameras.
- (ii) the establishment of a legal agreement with Runnymede Borough Council for the monitoring of Hart's CCTV cameras as outlined in the below report;
- (iii) the commencement of all necessary technical feasibility and other preliminary works to affect the proposed new service agreement;
- (iv) subject to approval of the above termination of existing shared service agreements with Rushmoor Borough Council
- (v) an additional revenue budget of £20,000 to meet the costs of these works is allocated for the financial year 2020/21;
- (vi) That a budget of £15k per annum is allocated to the Council's capital programme for 3-year period commencing in 2021/22 to fund a rolling replacement of the Councils CCTV camera stock.

3 INTRODUCTION

- 3.1 Against a backdrop of aging CCTV equipment, within the CCTV room Rushmoor Borough Council commissioned a consultant to consider future options, recommendations and research on alternative service provision. As a consequence, in July 2020 Rushmoor's Cabinet agreed to outsource the future delivery of their CCTV service to Runnymede Borough Council. The impact of this decision for Hart is the termination of the shared service arrangement for the monitoring of Hart's CCTV cameras.

4 BACKGROUND

4.1 CCTV Service Overview

There is no statutory duty requiring the provision and management of CCTV by local Councils. However, the Crime & Disorder Act 1998 (CDA98) requires each authority to exercise its functions to prevent crime and disorder; and the Council has, in part fulfilment of this, operated a CCTV service covering Fleet, Hook and Blackwater and has cameras mounted in all of its off street car parks. Some Parish Councils operate their own local CCTV arrangements.

4.2 The Council operates a joint CCTV service in conjunction with Rushmoor Borough Council (Rushmoor). The purpose of the joint service is to ***'help deter and prevent crime and disorder and reduce the fear of crime'*** with the overarching objective to ***'help make Hart and Rushmoor safer areas in which to live'***.

4.3 The joint service comprises a dedicated control centre located within Rushmoor's Offices. It is staffed by six staff (6.38 FTE) who monitor it between 07:00 and 01:00 Sundays to Wednesdays and between 07:00 and 04:00 Thursdays to Saturdays on a shift rota basis. A number of these posts are currently vacant and covered by other Council staff. A total of 116 mixed analogue and digital cameras are monitored and record 365 days per year 24 hours a day.

4.4 Save for a hosting charge and the specific camera maintenance and transmission costs of each authority, the overall costs of the joint service are split 55:45 between Rushmoor and Hart respectively. This split was established on the basis of the number of CCTV cameras monitored in each area at the time of its launch and is embedded in a 10-year deed of operation between the two Council's which is subject to 12 months' notice of termination (we are currently in year 6 of this agreement). The costs and work of the shared CCTV service is overseen by a Joint Governance Group (JGG), made up of representatives from Rushmoor and Hart in accordance with this deed.

4.5 The 2020/21 budget for the CCTV service is £133,324 which includes direct service costs and overheads such as support service costs and accounting charges. The service budget includes a payment of £141,200 to Rushmoor for management and monitoring of Harts cameras. This is offset by an income of £5,464 from some Parish Councils for the management and monitoring of their cameras and an internal recharge of £62,060 for the monitoring of some Hart assets including the Civic Offices and all of its car parks. A breakdown of the current service budget is shown in the table below:

CCTV Service	20/21 Budget (£)
Employees	7,711
Contribution to Rushmoor BC	141,200
BT line rental charges	26,031
Internal recharges	3,222
Depreciation	22,684
Income from Parish Council's	(5,464)
Internal recharge to services	(62,060)
Net total cost	133,324

4.6 Whilst unable to effectively quantify its deterrence effect, for Hart the activity generate by the operation of CCTV can be broken down as 559 incidents, leading to a known 22 arrests, 178 ancillary transactions, and 232 out of hours calls in 2019/2020. Incidents included the monitoring of suspicious individuals or groups, road traffic incidents, shoplifters and night-time economy venues etc. The CCTV Control Room and Police are in direct contact and share intelligence on a daily basis. The CCTV service also acts as the primary reception and co-ordination point for all out of hours calls for both Councils.

4.7 **CCTV Service issues and current situation**

Despite the above, and following comprehensive service review, the following issues and risks have been identified with the joint CCTV service provision and arrangements. Whilst some of these issues are circumstantial, historic and/or arise from when the service was first established, some are interdependent and create a degree of complexity to the considerations now required on the future of the service. These include -

- a) **Compliance with CCTV Standards** – Following audit, the CCTV Service is not fully compliant with the Surveillance Camera Commissioner’s Code of Practice. Issues surrounding privacy impact assessments and auto-redaction of associated privacy zones require both hard and software upgrades and associated configuration(s). Upgrading the control room and cameras to be compliant with these requirements will come with significant capital cost expenditure.
- b) **CCTV Maintenance arrangements** - The CCTV Service is currently out of maintenance contract and is on an interim pay as you go maintenance arrangement. Whilst this has not proved expensive so far, maintenance arrangements require appropriate procurement in accordance with contract standing orders. As equipment becomes older, costs and associated equipment failure risks are also likely to increase.
- c) **Control Room infrastructure** – Much of the control room infrastructure is also at end of life and/or experiencing increasing faults and failure. These increasingly have an impact on the costs and delivery of the service; and can affect both Hart and Rushmoor coverage. For example, a recent Network Video Recorder (NVR) failure resulted in a number of a Rushmoor cameras not being being able to record for over four weeks with knock on effects for the rest of the system. A spare Network Video Recorder has since been acquired to mitigate future failures.

5 **PROPOSAL(S)**

5.1 **Proposal background and context**

In view of these complex and interdependent issues, RBC engaged SGW Consulting in 2018 in order to assess the joint CCTV Service and advise on the costs of refreshing the control room, cameras and related infrastructure. SGW are security consultant specialists with significant experience in advising local authorities on their CCTV requirements and have been in the market since 2003.

- 5.2 SGW produced a full specification for a new CCTV control room, cameras and infrastructure. This estimates the cost of refitting the current control room at approximately £300,000. This includes reconfiguration of the room to a more appropriate layout, as well as replacement of end of life equipment and a new video management system. Under the shared service agreement, the expectation is that Hart would have to contribute £135K in capital cost for the continuation of this service.
- 5.3 Given the high capital expenditure required for this project, alternative delivery models including outsourcing of the control room and monitoring arrangements were also explored.
- 5.4 Accordingly, a number of public and private sector companies were consulted on a 'soft market testing' basis regarding alternatives for provision of a CCTV control room and monitoring services. As an exemption from full EU Procurement rules it is open to the Council to enter into arrangements with another local authority in the provision of public services to achieve common objectives in the public interest. In light of this more detailed exploration of potential costs was subsequently explored with interested local authorities. Of those, Runnymede Borough Council proffered an enhanced service provision with the most significant cost saving opportunities as outlined below.

Preferred Option

In provision of outsourced control room and monitoring services, Runnymede quote projected costs of approximately £120,000 per annum. Costs associated with CCTV equipment maintenance, data transmissions and support service costs are estimated at £36,000 giving a Total Net costs of the preferred option of £156,000.

- 5.5 Runnymede offer a modern, up to date and compliant service, with monitoring 24 hours a day – an enhancement on our current monitoring. There are opportunities to further modernise working practices, with Runnymede able to provide remote access to footage to both Hart and Police colleagues – negating any impact from the control room being based out of the district. Runnymede also provide a Careline service for their local area and have confirmed they will cover out of hours calls within the costs quoted.
- 5.6 Relocation of the CCTV control room to Runnymede provides a financial benefit to Hart when compared with the cost of the existing service arrangement with Rushmoor.
- 5.7 There will be a need for contract monitoring and management should the council opt to continue to setup its own in-house service. Accordingly, given the enhanced service offered and the financial benefits over existing outlined above, it is recommended that Hart outsource its control room and monitoring services to Runnymede Borough Council.

6 ALTERNATIVE OPTIONS

6.1 The alternative options outlined below have also been considered, and are presented for information and discussion, with some commentary thereon.

6.2 (a) Cease provision of the service

The Council could decide to halt this service, particularly mindful of the evolving financial impact of Covid-19 on the council's medium term financial strategy. CCTV is not a statutory service. This would result in an annual saving of £161,767 within a district that has a very low rate of recorded crime within the areas covered by CCTV.

6.3 (b) Retaining the existing shared service

Whilst Hart has in the past few years invested in its camera infrastructure, the Rushmoor Control Room has not seen such recent expenditure. To bring it up to a standard now required would cost £300,000 of which Hart would be expected to pay £135,000.

6.4 (c) Seeking of external contributions to service

Given the positive impact that service provision has on local Policing, an approach was made to the Office of the Police and Crime Commissioner and Chief Constable to enquire as to whether a contribution to service costs would be possible. Both have confirmed that due to current and ongoing financial constraints this would not be possible.

7 CONSULTATION ON PROPOSALS

7.1 Joint Governance Group

The Joint Governance Group (JGG) responsible for overseeing the shared service on behalf of Hart and Rushmoor have been informed of the outcome of this review albeit we are aware that outsourcing of the service to Runnymede would also be Rushmoor's preferred option too.

8 IMPLICATIONS

8.1 Legal Implications

The Council is under no statutory obligation to provide a public space surveillance system.

8.2 However, to ensure compliance with Data Protection legislation and the Surveillance Camera Commissioner's code of practice, upgrades to the Control Room are required to facilitate privacy impact assessment and redaction of identified privacy impact zones. Should the Council fail to carry out these upgrades, there is risk of breaching legislation and associated codes.

8.3 Whilst separate quotes for provision of an outsourced service have been provided to both Hart and Rushmoor and outsourcing can be pursued separately as

necessary, this has obvious implications for the existing shared service agreement (under deed) which will need to be terminated if outsourcing is to be progressed.

8.4 Should Cabinet approve this process the Council will enter into an appropriate agreement with Runnymede Borough Council.

8.5 **Financial and Resource Implications**

(a) Capital spend

8.6 The Council has not in the past made any capital budget provision for the refurbishment of the shared Control Room.

8.7 Given the impact of Covid-19 on the Council's finances, it is important that members consider the revenue implications of any additional capital expenditure.

8.8 Should the Council choose to retain the existing CCTV service in-house the necessary upgrade of the Control Room will require approximately £135,000 capital expenditure. By working with another Council with an up to date control room, a large portion of this capital spend can be negated, with only a proportion of the costs for decommissioning of the old Control Room.

8.9 **(d) Decommissioning of control room equipment**

If Hart (and Rushmoor) choose to cease the current service altogether or outsource to Runnymede there will be costs associated with the decommissioning of current control room equipment and returning the room to normal office space. These costs are estimated to be £75,000 of which Hart's contribution would be £34,000.

8.10 **Equalities Impact Implications**

There are no known equalities impact implications arising from the proposed recommendations.

8.11 **Crime and Disorder Implications**

Should the Council choose to continue the service as it currently is whether in-house or outsourced, there should be no implications and the service should be able to continue to help deter and prevent crime and disorder.

8.12 Should the Council choose to cease the service altogether, there may be implications impacting the Police, their ability to resolve incidents that would have otherwise been evidenced by our existing CCTV arrangements and subsequent arrests. There would be impacts to intelligence gathered and shared across the District. The impact on Policing locally cannot at present be completely understood. Local Police representatives have indicated a desire for the service to continue, however as noted in paragraph 6.10 that neither the Office of the Police and Crime Commissioner nor the Chief Constable felt able to contribute to this service.

9. CONCLUSIONS

- 9.1 The CCTV Control Room which serves Hart (based in Rushmoor) needs refurbishment and replacement. This will require a significant capital spend of £300,000 of which Hart would need to contribute £135,000. In order to mitigate some of this and other issues, several future service delivery options have been analysed and considered. In consequence of this, it is recommended that the control room and monitoring services be outsourced to Runnymede Borough Council. This will save much of the capital expenditure as well as create a reduction in future revenue budget required, whilst providing for an enhanced service. Any saving would be reported by the Head of Service during future budget monitoring once service alterations had been carried out.
- 9.2 The current CCTV service is a joint service run under a 10-year deed in conjunction with Rushmoor Borough Council. Any outsourcing will necessitate the termination of the existing shared service agreement.
- 9.3 The preferred option will reduce the level of capital expenditure required to provide the CCTV service.
