FINANCIAL REGULATIONS

2. OVERVIEW

- 2.1. The general principle behind these regulations is to ensure that all financial dealings are of the highest standard conducive with being custodians of public resources and assets.
- 2.2. The Financial Regulations provide the framework for managing the Council's financial affairs and contribute to good corporate governance, internal control, and the management of risks. In addition, they assist sound administration, reduce the risk of irregularities, and support the delivery of effective, efficient, and economic services.
- 2.3. These Financial Regulations are made pursuant to Section 151 of Local Government Act 1972, the Accounts and Audit Regulations 2015 (plus amendments) and all other enabling powers.
- 2.4. The Head of Corporate Services has responsibility for the preparation, review, and amendment of these Financial Regulations. They should be read in conjunction with the other governance rules and procedures contained within the Council's Constitution.
- 2.5. These Financial regulations apply to members, officers, employees, and anyone acting on the Council's behalf. Where work is carried out in partnership then the regulations of the 'principle' authority should be followed. Failure to comply may constitute misconduct and lead to formal disciplinary action

3. SCOPE

3.1. The financial regulations set out the Council's requirements in respect of:

- 3.1.1. Financial management roles and responsibilities
- 3.1.2. Financial planning and budgeting
- 3.1.3. Budget monitoring and control
- 3.1.4. Internal control and audit
- 3.1.5. Financial systems and procedures
- 3.1.6. Treasury management
- 3.1.7. External arrangements

3.2. These financial regulations are guided by the CIPFA Financial Management Code which applies a principles-based approach. There are six under-lying principles:

- 3.2.1. Organisational leadership – demonstrating a clear strategic direction based on a vision in which financial management is embedded into organisational culture.
- 3.2.2. Accountability – financial management is based on medium-term financial planning, which drives the annual budget process supported by effective risk management, quality supporting data and whole life costs.
- 3.2.3. Financial management is undertaken with transparency at its core using consistent, meaningful, and understandable data, reported with appropriate frequency and with evidence of periodic officer action and elected member decision making.
- 3.2.4. Adherence to professional standards is promoted by the leadership team and is evidenced.
- 3.2.5. Sources of assurance are recognised as an effective tool mainstreamed into financial management and include political scrutiny and the results of external audit, internal audit, and inspection.
- 3.2.6. The long-term sustainability of local services is at the heart of all financial management processes and is evidenced by prudent use of public resources.

3.3. It is not possible for Financial Regulations to anticipate all eventualities. Consequently, in any situation where there is no clear guideline reference should be made to these Principles.

FINANCIAL REGULATIONS

SECTION 2 FINANCIAL REGULATIONS

- 4.1. The Head of Corporate Services has a statutory responsibility for proper administration of the Council's financial affairs. However, this cannot be done in isolation and a culture for good governance and financial management also rests with the Leadership Team.
- 4.2. All members and officers have a common duty to abide by the highest standards of integrity and propriety when making decisions about the use of public money. They need to be able to demonstrate that the services provided by the Council provide value for money.
- 4.3. The Council shall have in place a formal scheme of delegation, which sets out which individuals or committees are entitled to make which decisions. Specifically, it details which decisions are reserved for the Council acting as a corporate body, which can be taken by its committees, specified individual members of the leadership team, the chief executive, and specific officers.
- 4.4. The Council's scheme of delegation is defined in the Council's Constitution.

- 5.3. The budget is the responsibility of the Head of Corporate Services but should be owned and articulated by the Leadership Team.
- 5.4. The budget is set annually, in advance, to control expenditure and establish priorities. The Head of Corporate Services shall assess its robustness alongside the appropriate level of reserves.
- 5.5. The budget shall be developed alongside the Medium-Term Financial Strategy (MTFS) which considers all known factors affecting the Councils financial position and financial sustainability over a longer term (3 years)
