ANNUAL GOVERNANCE STATEMENT 2020/21

1 Executive Summary

1.1 Responsibility for Governance

Hart District Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards. It needs to ensure that public money is safeguarded, properly accounted for, and used economically, efficiently, and effectively and in accordance with the Local Government Act 1999.

1.2 Commitment to address governance issues and keep arrangement under review

The Accounts and Audit Regulations (2015) require the Council to conduct a review, at least once a year, on the effectiveness of its system of internal control and include an Annual Governance Statement reporting on the review with the Statement of Accounts.

This statement enables us to monitor our achievements and to provide assurance that our strategic objectives have led to the delivery of strong, effective services which continue to provide value for money.

The council has also approved and adopted a Code of Corporate Governance that is consistent with the principles of the 'Delivering Good Governance in Local Government: Framework' (CIPFA/Solace, 2016). This statement is available on the Council's website www.hart.gov.uk. [Local Code of Corporate Governance](#)

The Council has summarised issues and identified areas of improvement required in Section 1.3 of this statement. Progress made against the action plan will be reported to the Audit Committee at meetings during 2021-22.

The Section 151 officer is a member of Leadership Team and has ensured financial implications are taken into account in the delivery of corporate objectives.

SECTION 4. THE COVID-19 PANDEMIC

4.1 The global pandemic of coronavirus has resulted in an unprecedented challenge to both the Council and the community that it serves. All public services have been placed under considerable stress, not least of which was to seek at no notice to continue to

operate in a 'lockdown' scenario with staff displaced and working from home. The Council however, responded by maintaining essential Council services, providing support to local businesses, supporting the most vulnerable in our communities and delivering national funding packages.

4.2 On Friday 20th March 2020, the Hampshire and Isle of Wight Local Resilience Forum formally declared Coronavirus a major incident. Hart District Council evoked its Emergency Plan and in accordance with the Constitution, enabled decision making under emergency provisions.

4.3 The Council had to fundamentally change during this period.

- In the way it provided its services, needing to work remotely under the lockdown provisions and
- Which services it delivered, with new services being delivered from provision of food, medicines and care for those shielding, to business grants to local businesses.

4.4 Recognising the importance of considering recovery processes alongside response to a civil emergency, Cabinet approved the Council's Recovery Plans in October 2020. At the beginning of November (5th), England began its second lockdown. This was followed by a series of tiered lockdowns during December but ultimately the Government decision was to undertake a third lockdown in January, with a phased release from the lockdown, from March 2021.

4.5 Despite the resource implications, the Council has continued to:

- Continue to provide business as usual services to our residents.
- Deliver on our ongoing requirement to the response phase, most recently delivering the Lateral Flow Testing station and then supporting the localised testing for residents in GU51 and GU52 for a variant of concern.
- Progressed many of the key actions arising from the Covid-19 Recovery Plan.

4.6 The Council continued with all Committee meetings stated in Section 3 over Teams remotely, whilst streaming to residents over YouTube.

- 4.7 All decisions taken during a major incident is recorded formally in an Emergency Planning Log. These were then reported. Cabinet to formally endorse as soon as reasonably practical after the decisions have been taken. This was first reported in June 2020 and then at three further cabinet meetings.

To aid visibility of this process, details of emergency decisions taken have been reported verbally to Cabinet at the meetings of February and March 2021. This also reflected the consultation undertaken with Cabinet or Group Leaders prior to these decisions being taken.

On the 1st April 2021, the Monitoring Officer formally noted that the Council had stepped down from Major Incident and that further work would continue on Recovery, but that emergency provisions within the Constitution were no longer being used by the Council.

SECTION 5: The CIPFA Financial Management Code

- 5.1 The CIFA Financial Management Code (CIPFA FM Code) is designed to support good practice in financial management and to assist local authorities in demonstrating their financial sustainability. The Section 151 Officer has carried out a review of the Council's performance against the Financial Management Standards which will be reported to Audit Committee in July 2021.

SECTION 6: Internal Audit Opinion

6.1 Due to the impact of COVID-19 during 2020/21 the plan for 2020/21 had to be reduced and we had to prioritise our work to focus on our financial system reviews. This was because the internal audit resource was used to carry out other priority work to respond to COVID-19. A summary of work together with the overall opinion on the internal control framework is shown below:

Area of Review	Opinion Provided
----------------	------------------

Accounts Payable	Satisfactory
Accounts Receivable	Satisfactory
Cash/Income Management	Satisfactory
Council Tax & Business Rates	Satisfactory
IT Controls	Satisfactory
Main Accounting	Substantial
Payroll	Limited
Section 106 Agreements	Satisfactory
Treasury Management	Satisfactory
Housing Benefits	Limited

The annual opinion on the internal control framework during 2020/21, provided by the Audit Manager is satisfactory, however, there were two qualifications to this opinion. These qualifications were based on audit reviews where a limited assurance opinion was provided on the effectiveness of the internal controls in place, a summary of these is shown below:

Payroll	<ul style="list-style-type: none"> • Data Management weaknesses • Up to date and readily available key HR policies were not always easy to find. • The Starters and Leavers process is still not applied consistently by managers. • Need to review and update Disclosure Barring Service Framework

Section 7: Financial Management Code

7.1 The Financial Management Code (FM Code) provides guidance for good and sustainable financial management in local authorities. By complying with the principles and standards within the code authorities will be able to demonstrate their financial sustainability.

7.2 An assessment of compliance with the Financial Management is being carried out. This assessment will review the processes in place to satisfy the principles of good financial management and identify any significant governance issues

7.3 Findings of this assessment will be reported to Audit Committee in July 2021.
