4 Administration of Charity Street Collections

The SLS acting for Basingstoke and Deane Borough Council and Hart District Council acknowledges the need for charities to raise much needed funds to support valuable causes by a variety of methods. Charity street collection permits will be granted whenever possible, subject to any limitations or restrictions detailed within this policy.

- 4.1 Any cash collection, undertaken in any street or public place, should be licensed by way of a permit from the relevant Local Authority in accordance with the Police, Factories, etc (Miscellaneous Provisions) Act 1916 as amended by the Local Government Act 1972.
- 4.2 Street is defined in the Act as follows. *“Street” includes any highway and any public bridge, road, lane, footway, square, court, alley, or passage, whether a thoroughfare or not.*
- 4.3 The regulations under which permits are issued can be found in Appendix A. These are in place to ensure that collections do not result in nuisance or annoyance to the public and local businesses and to provide an audit trail in respect of the allocation of donations.
- 4.4 Charitable collections in stores, supermarkets or on private land do not require a Street Collection permit from the council. Collections will usually require the permission from the store or private land owner to allow the collection to take place.

- 4.5 The SLS does not issue permits to collect in any of the following privately owned shopping centres

Festival Place – Basingstoke
The Malls – Basingstoke
Chineham Shopping Centre - Basingstoke
The Hart Shopping Centre – Hart

or where a collection is proposed to take place within premises privately owned where public access can be restricted by the owner, such as retail shops and other privately owned business premises. In such cases permission will be required from the site Management Company.

- 4.7 **Top of Town area Basingstoke-** The 'Top of the Town' area includes Market Place, Winchester Street, London Street, Wote Street and (upper) Church Street. This location is also the site for the regular and seasonal markets.
- 4.8 Only one cash charity collection permit per month will be granted for this area. Charities will be restricted to one collection per year. No charity collection permits are granted for any day that a Market event is taking place. The regular market occurs on Wednesdays and Saturdays and on other days leading up to Christmas. Further seasonal and international market events occur on other days throughout the year. Applicants are expected to check whether a market is present on dates before making an application. Market dates can be obtained by contacting the council's market operator 'Hughmark' at www.hughmark.co.uk or by phoning them on 0118 945 1799.
- 4.9 **Remainder of the Areas in Basingstoke and Hart** —All public streets in the area will be restricted to one collection per month and no charity will be granted with a permit to collect in the same street more than once in any six month period. Applications for permits outside of this policy will be considered on their individual merits. Provision will be made for the granting of permits for additional charitable collections in times of national or international disasters and for specific occasions, for example, (but not restricted to) Remembrance Sunday and Christmas.
- 4.10 **Pre booking** - The SLS will accept written requests to check availability and provisionally reserve a date and location prior to applying. This should be undertaken where possible by emailing licensing@basingstoke.gov.uk for Basingstoke collections and licence@hart.gov.uk for Hart collections expressing the date requested. Only one proposed collection date per email will be acknowledged to ensure fairness to all charities. Alternatively, applicants may write to the SLS Team at the address at the end of this Policy document. Once a date has been provisionally reserved an application form must be received within 10 working days or the provisional reservation will be cancelled.
- 4.11 Applications will only be accepted on the council issued application form available by downloading from the council's website at www.basingstoke.gov.uk for Basingstoke or www.hart.gov.uk for Hart both

areas can also apply online through www.gov.uk All applications must be submitted no later than one month before the requested date of collection.

- 4.12 Each application allows a request for one collection date only. No bulk booking of future dates will be accepted on multiple or simultaneous applications. This is to ensure a fair booking process and allow availability of dates to a wider range of charities.
- 4.13 Where applications are made for collections along a route, such as in a procession, full details of the route and number of collectors must be provided.
- 4.14 Successful applications will result in permits being issued where possible, within 10 working days of receipt of the completed and valid application form.
- 4.15 Where applications are submitted in response to national or international disasters shorter application and determination periods will be allowed wherever possible and on a case by case basis.
- 4.16 The SLS may wish to make additional checks on a particular charity or promoter named on an application and reserves the right to do so. Enquiries may also be made with the Police and the Charity Commission where it is deemed appropriate.
- 4.17 The SLS may, if considered appropriate consult with other council teams for example (but not restricted to); Highways, Street Cleansing and Property services to ensure that an application will not impact on highways safety and cleanliness or conflict with any other events occurring.
- 4.18 The legislation does not include any statutory criteria for the approval or rejection of an application for a permit. The granting or refusal of an application will be at the council's discretion having regard to the individual application, the date and any potential impact with other activities and the history of conduct during previous charity collections made by the applicant.
- 4.19 Where a financial return is not received within the 28 days required in the Regulations detailed in Appendix B, no further permits will be granted until such time as financial return is up to date. Where an applicant fails to comply with the regulations in respect of financial returns on two occasions, the SLS reserves the right to refuse any subsequent request for a permit by that applicant.
- 4.20 The SLS may also choose to refuse an application for one or more of the following reasons:
 - i) The collection is considered not to be for charitable purposes
 - ii) The application contravenes the provisions of the street collection legislation and regulations
 - iii) To limit the number of collections
 - iv) The proceeds allocated for expenses is considered to be too high

- v) inaccurate information was provided on the application
- vi) the promoter or any other person involved has been convicted of certain criminal convictions, in particular offences of dishonesty, theft, blackmail or fraud.

- 4.21 A permit may be revoked after issue for any of the above or other relevant reasons.
- 4.22 It is the SLS's intention to support, as far as reasonably possible; all applications for charitable collections save for any restrictions or other relevant matters within this policy.
- 4.23 **Collections made by direct debit** - Charity collections made by direct debit only do not fall within the scope of the Act or the Regulations. The SLS operates a voluntary code of conduct for charities wishing to collect in this area. Details of the voluntary code of conduct can be found in Appendix C. Only one direct debit collection permit will be granted. Charities will be restricted to one collection per year.
- 4.24 It is expected that all charities wishing to collect funds by means of direct debit will sign up to and adhere to the SLS's voluntary code of conduct for direct debit collections and apply for a permit.
