## Comments summary

Dear Sir/Madam,

Licensing Application comments have been made. A summary of the comments is provided below.

Comments were submitted at 22/10/2023 1:41 PM from Mr [REDACTED].

### Application Summary

Address: [REDACTED]

Proposal: Premises Licence

Case Officer: Angela Semowo

[Click for further information](#)

### Customer Details

Name: [REDACTED]

Email: [REDACTED]

Address: [REDACTED]

### Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Licensing Application

Reasons for comment:

- Anti social behaviour
- Community Safety
- Noise Disturbance
- Public Nuisance
- Public Safety
- Traffic

Comments: 22/10/2023 1:41 PM I wish to object to the application on the following grounds -

-the garage is already noisy enough during the day, evening and night with deliveries, waste collection and customers using the fuel pumps, car alarms going off, customers revving

engines, loud music. Customer communicate with the staff in the shop through the service hatch (as the staff lock the shop door after a certain time at night).

- the staff already use the tannoy to speak to customers day and night, so this being used even more because of not being allowed in the shop will be even more of a disturbance.
  - the garage already attracts people hanging around waiting for taxi's or lingering on their way to and from town, so with the shop offering food and drink 24/7 this is just going to get worse, also increasing the risk with of property being damaged/antisocial behavior
- 

Kind regards

[REDACTED]

With reference to the Licence under section 17  
Esso Garages 42 Reading Road South

Myself and my family live [REDACTED] the Esso Garage mentioned above, we are at [REDACTED].

The garage can be a very noisy neighbour, especially at weekends. They make no effort what so ever to keep the noise level down with customers leaving on loud car radios and shouting and generally being disruptive. This is mainly an issue in the late evening, early morning with our children often woken up by the disturbances. Often when the night clubs kick out the garage becomes a destination which can be the cause of anti social behaviour.

Anything which adds to this situation would make the situation considerably worse and risks the area becoming a hang out, and with no police available these days to move people on, a garage forecourt could become a very dangerous place too.

I would like this application to be rejected as more noise than is current would be far and above that which one should expect living in such a location.

Please confirm receipt of this objection.

[REDACTED]

Good morning .This is regarding the application from Asda Express PFS Glenlands ,42 Reading Road South GU51 [3QP.to](http://3QP.to) ask for a licence to sell alcohol from midnight to 5a.m.

We live [REDACTED] the garage at no [REDACTED].We would like to oppose this application . The noise and disruption from the garage is bad enough already.There are cars revving in and out late at night, and also groups of people gather outside chatting and shouting. This would become much worse if they could purchase [alcohol.it](http://alcohol.it) would also attract people on their way home from the pubs up fleet to drink more and probably cause more problems..We have had several incidents when the police have been called in the past.

Yours faithfully, [REDACTED]
